*THE DISCOURSE****Adventures of a Veuxdo Child:***

In this full-feature documentary, Veuxdo Child finds themselves in casual conversation with truth-seeking multidisciplinary young creatives; here: captured and woven into a discussion about life, consumerism, knowledge, consciousness, and love.

A blue ink sketch on graph paper featuring a stylized face with large, swirling eyes and a wide, open mouth. The face is surrounded by abstract, swirling lines and shapes. Handwritten text in blue ink is visible: "WHAT IS CONSCIOUSNESS?" at the top, "EVERYTHING" in the center, and "COMING FROM" below it.
